Year 3 Star Learner in Moonstone class....

Tianna
Responsibility

Tuesday 19th January 2021
WALT: TO write a section for a non-chronological report using subject specific vocabulary.

The rainforest vegetation has adapted to the environment due too the climate. And the plants had to adapte in the ~~plan~~ in diferant ways. The buttres roots are large and above ground unlike most other plants. Drip trip leaves have adapted to funnel water to the roots wax prectectd it from the sun and also wax reduces water loss.

Tianna has shown exceptional responsibility this week and her self-motivation has been so impressive! She has completed every single task this week and her presentation has been wonderful! She's been on teams for every check in this week too. Well done Tianna!

Year 3 Star Learner in Diamond class...

Edward
Responsibility

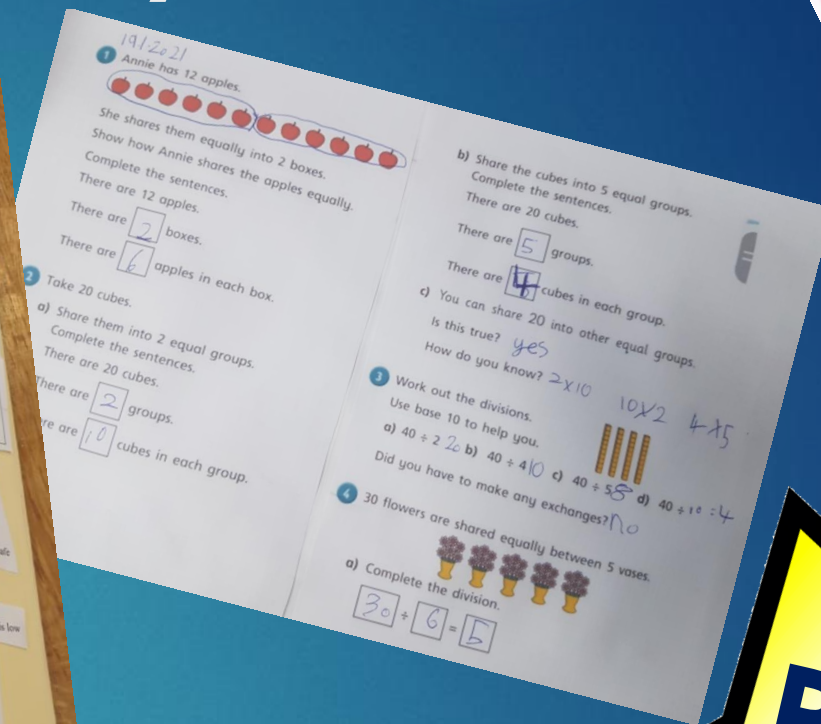

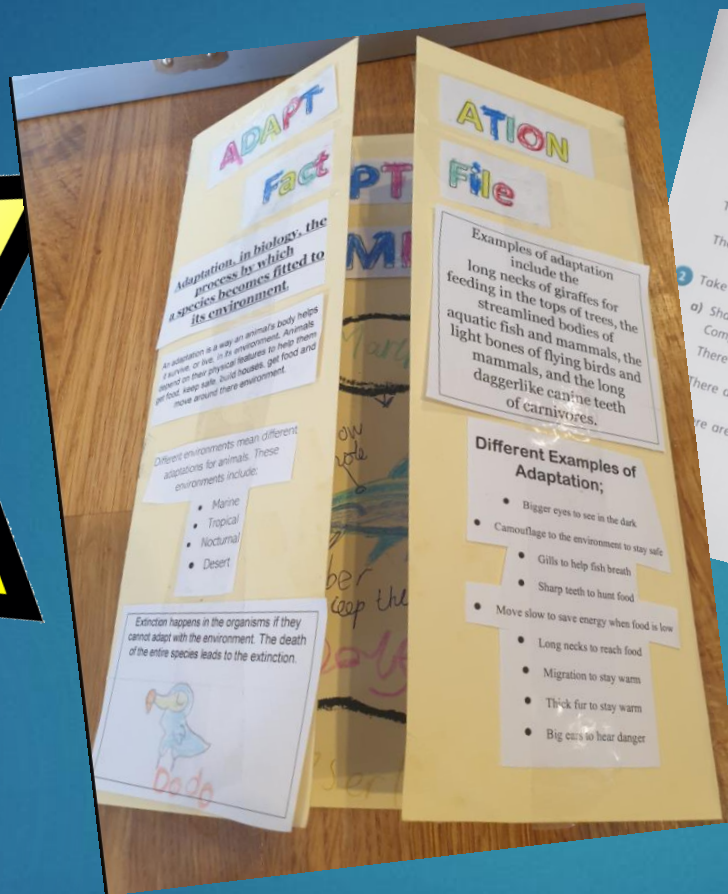

Monday 18th January 2021
WALT: To write a section for a non-chronological report using good constructions.
The average temperature in the Amazon Rainforest is between 22-34 °C all year where the UK where it is 18-25 °C just in the summer.
The atmosphere is hot and humid because it rains all the time and with the high temperature it also makes it a steamy environment it has at least 2-4 inches of rainfall every month but there are no seasons.

Tuesday 19th January Math's
1. There are 12 apples
There are 3 boxes
There are 6 apples in each box
2. a) There are 20 cubes
There are 2 groups
There are 10 cubes in each group
b) There are 20 cubes
There are 5 groups
There are 4 cubes in each group
c) Yes
3. a) $40 \div 2 = 20$
b) $40 \div 4 = 10$
 $40 \div 5 = 8$
d) $40 \div 10 = 4$
4. a) $30 \div 5 = 6$
b) $20 \div 5 = 4$ dexter
c) $20 \div 4 = 5$ dora
d) $20 \div 10 = 2$ Ron
e) $20 \div 2 = 10$ Whitney

Edward has shown great responsibility in the work that he has submitted. Not only has Edward completed every piece of work that has been assigned to a good standard, he has also presented it beautifully and met my expectations.

Year 3 Star Learner in Ruby class...

Mila
Perseverance

Riley
Perseverance

Both these pupils have been completing all their tasks every day and to a very high standard. They have even uploaded excellent videos of them speaking french and a photograph of them reading when it was DEAR day. I am very proud of how well they are working at home.

Year 4 Star Learner in Malachite class...

**Max Lindley
Carr**
Creativity

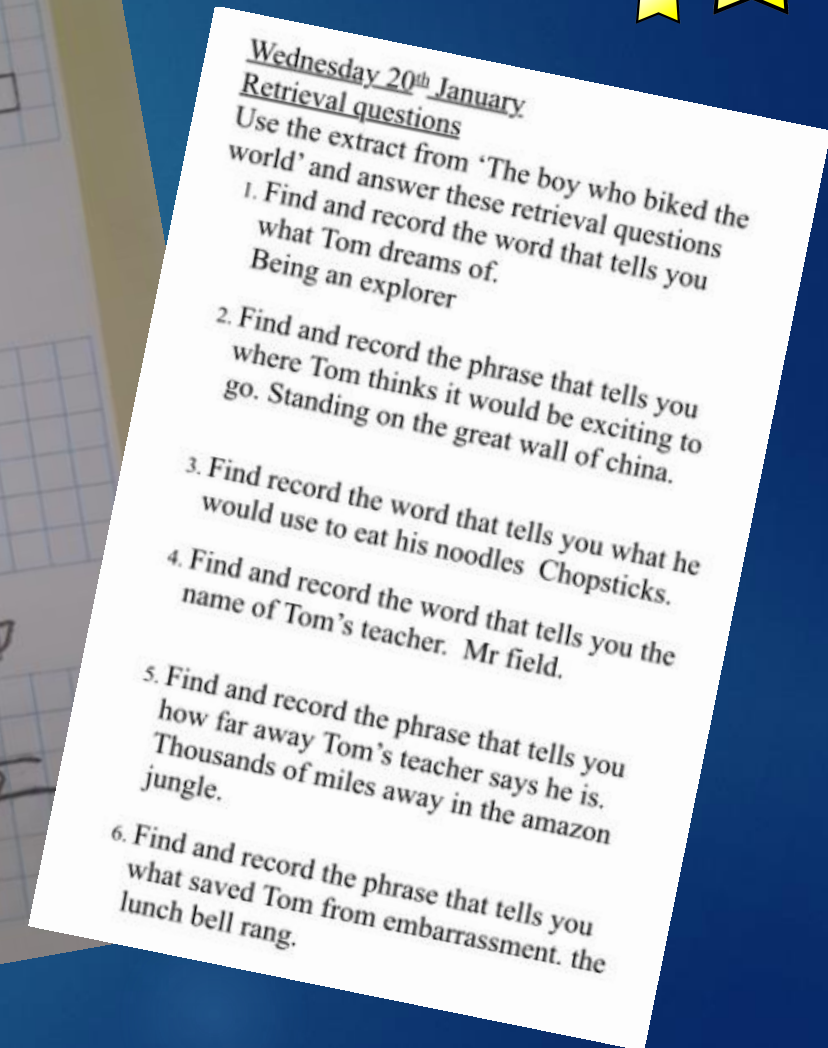

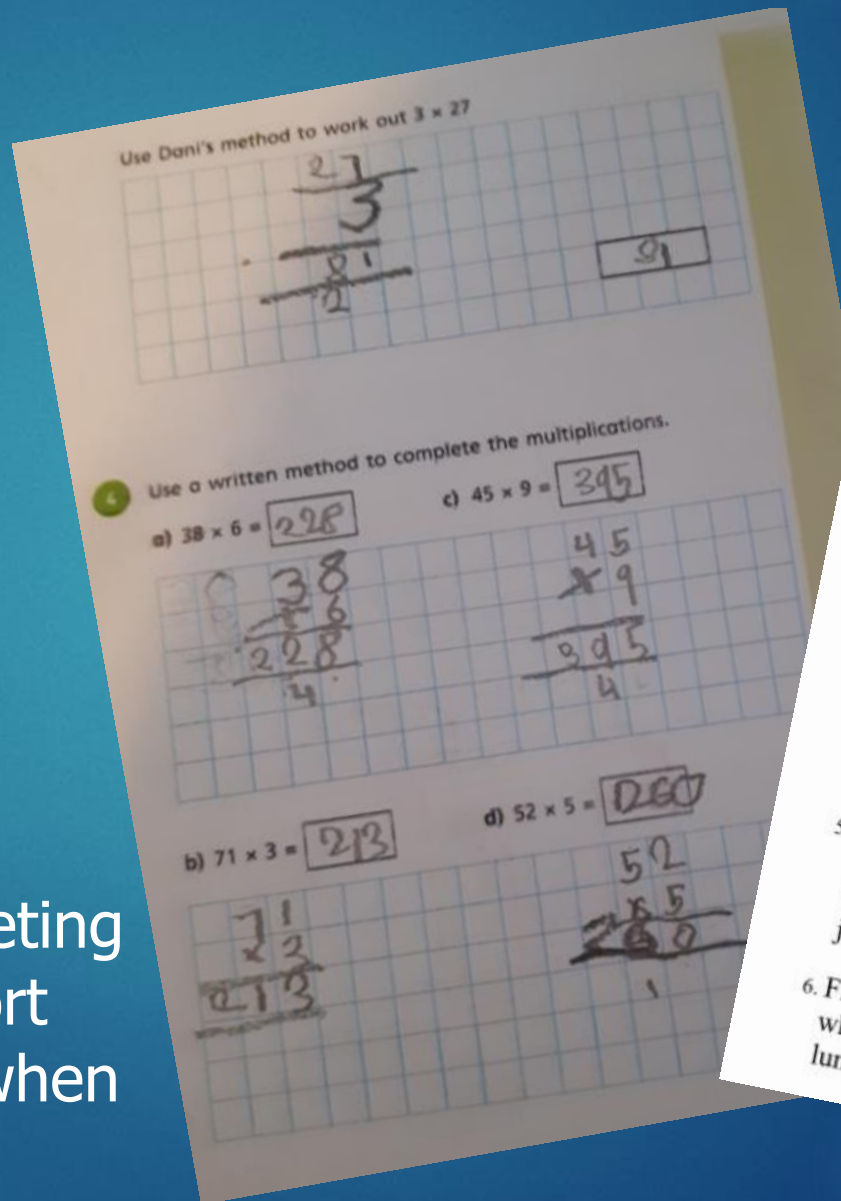

The whole class has done amazingly well with their remote learning this week & there has been some awesome creative work submitted for both Science and French. My favourite piece of work however, was Max's Science (attached). Well done, Max!

Year 4 Star Learner in Pearl class...

Lexi Mae
Perseverance

Lexi is always completing work with 110% effort and never gives up when she finds it tricky.

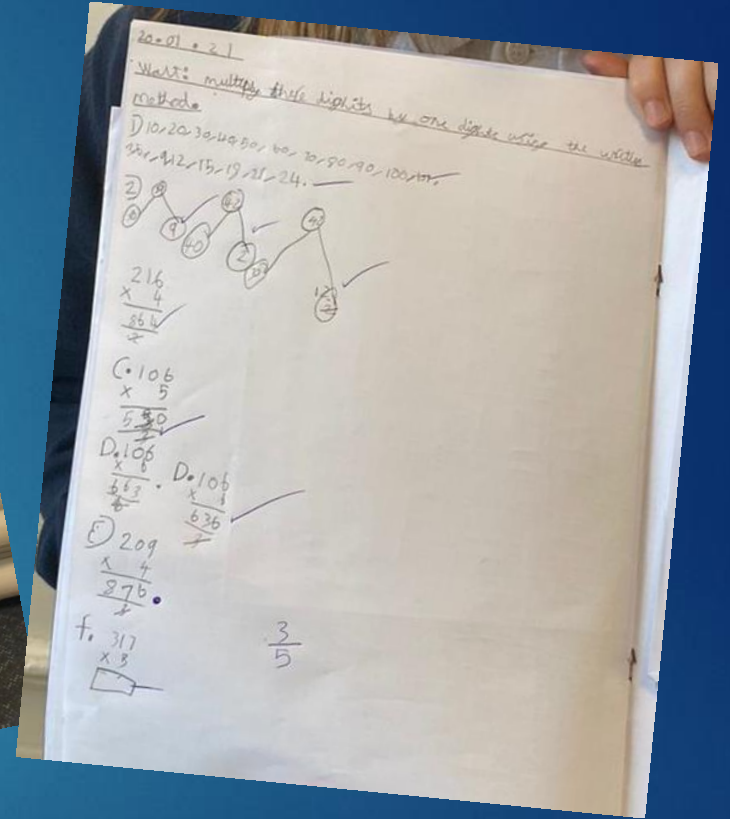

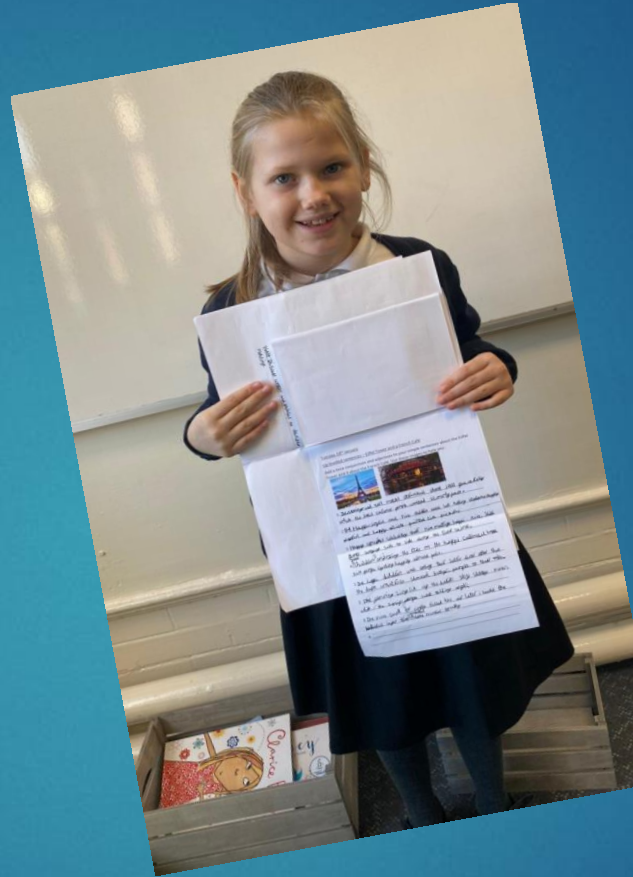

Star Learner in the Y4 School Bubble is....

Iola-Rose

**Teamwork &
Perseverance**

Amazing learning this week in school from Iola-Rose. She has really put 100% into everything!

Year 5 Star Learner in Sapphire class...

Kaiden
Responsibility

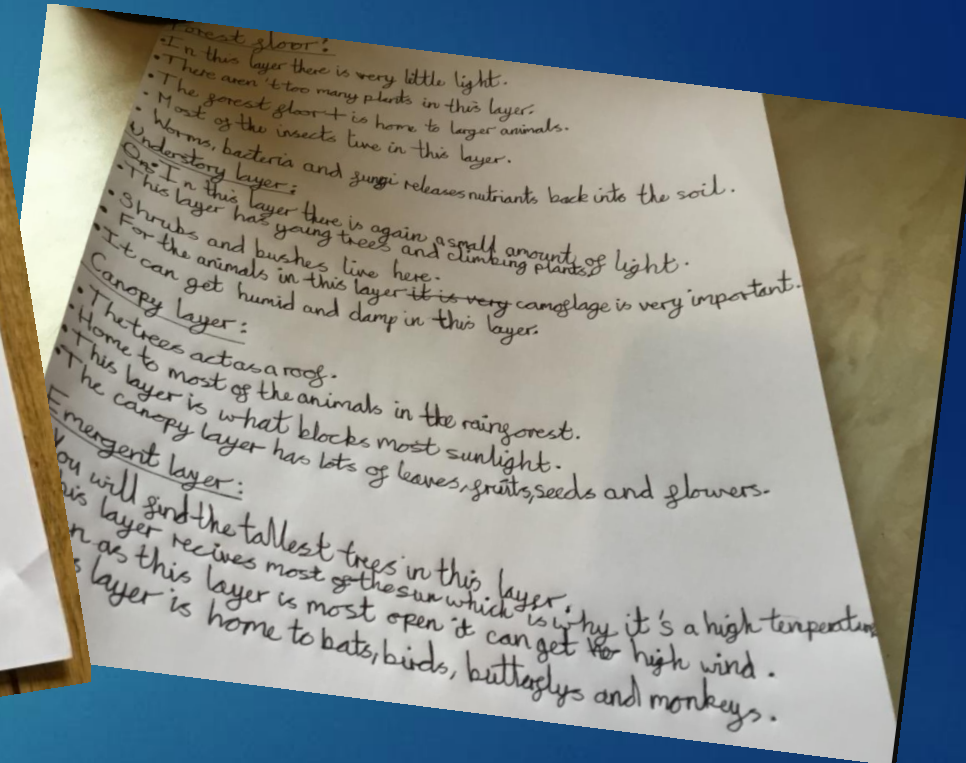

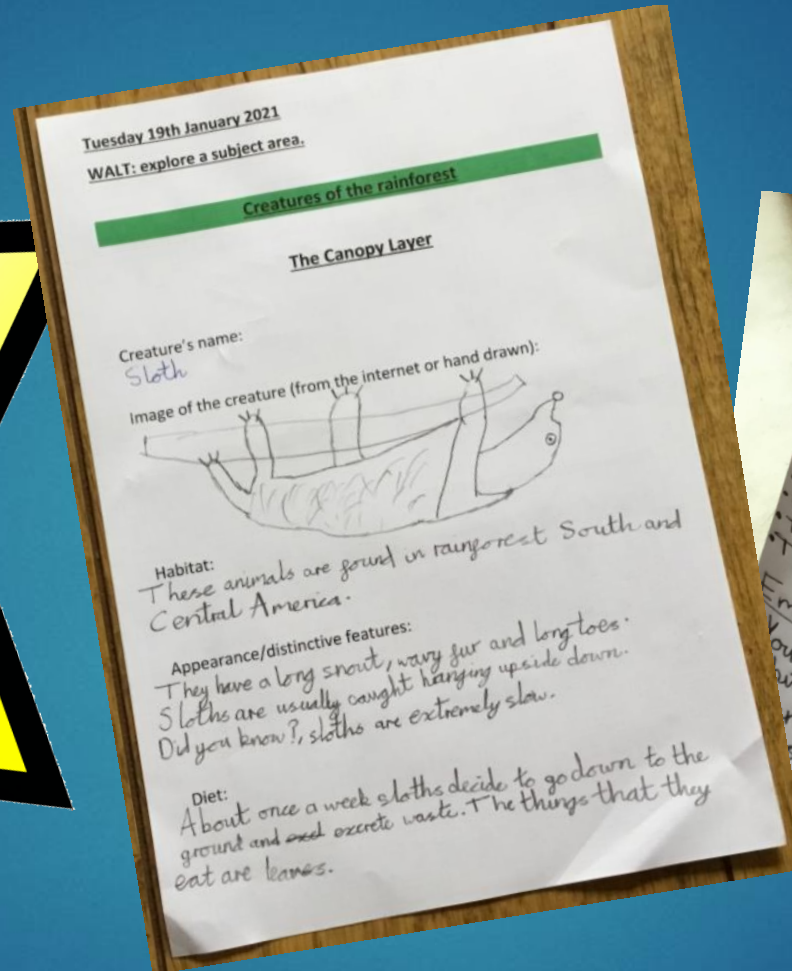

The best work he has produced. Creative, well-presented and in detail! Self-disciplined at home and uploading extra tasks at 8pm each day!

Year 5 Star Learner in Amethyst class...

Evie

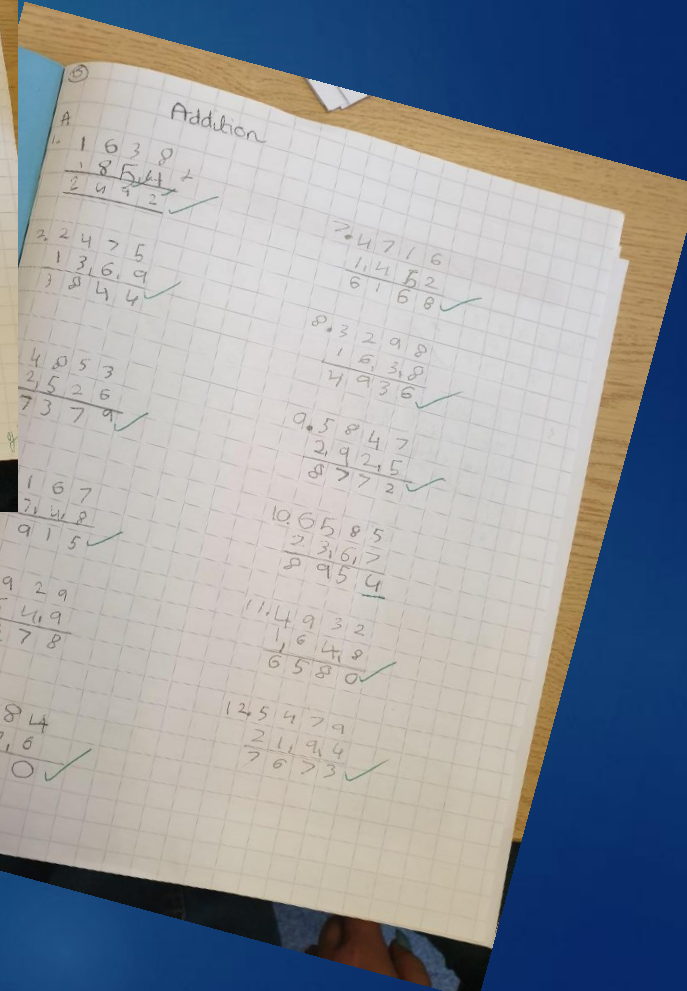

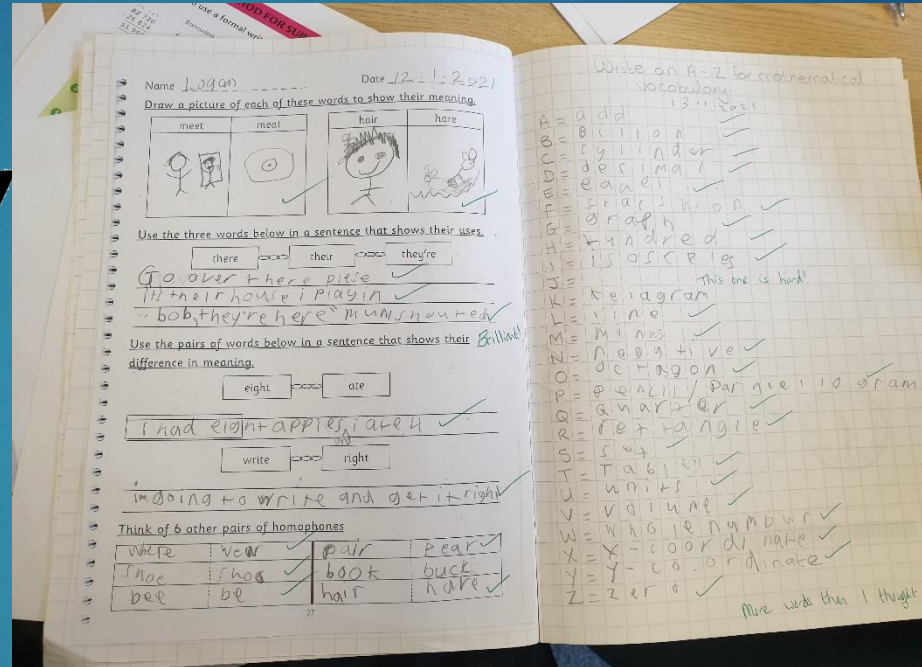

Responsibility

You have been an amazing, dedicated learner for the past few weeks. Despite being at home, you continue to produce work of an excellent quality, just as you do in school. Keep it up. Well done!

Year 5 Star Learner in Jade class...

Logan
Perseverance

Logan has shown a real commitment to his learning this week. The quality and quantity of work produced has been fantastic too!

Star Learner in the Y5 School Bubble is....

Bailey-Jay
Perseverance

Monday 18th ~~January~~ February 2021

WALT: write a paragraph about an area of the rainforest

Emergent layer

In the Emergent layer it's hot and very windy and you're 70m above ground. Because this is the top layer there is about 100% light.

Canopy layer

In the Canopy layer there is 95% light and it's 20-30m high above ground. Mostly plants and flowers grow here. 90% of creatures live here.

Understorey layer

The understorey layer has 5% light and is 1-30m above ground. It's full of shrubs and bushes, but there's only a little amount of light.

Fantastic learning this week in school from Bailey-Jay. He has really stuck with it, even when he found things difficult. Beautiful handwriting too! – Mrs Hartgrove & Miss White

Year 6 Star Learner in Peridot class...

Millie
Responsibility
& Respect

Amazing effort in everything but I was especially impressed with Millie's French work this week.

Year 6 Star Learner in Emerald class...

Henry-Ray
Responsibility

Positives:

Lava from the Volcano can be turned into Electricity and Energy.

The volcano will be a popular tourism spot, the local economy will rise.

The lava could splatter around where you live, but there is a chance that it won't hit you.

The lava cools off the earth.

It will create magnificent scenes.

Lava runs very slowly, so if you know about the eruption in time, you could pack up and leave without the lava reaching you.

Negatives:

The lava will affect the global climate.

The lava spill overs will affect the local population and local property.

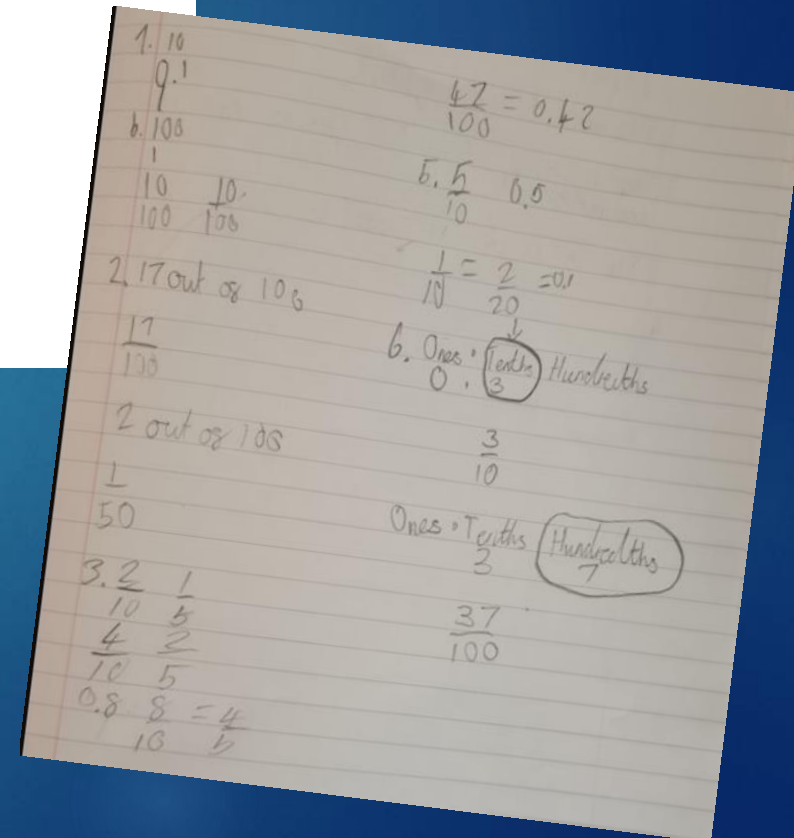

The eruption can lead to tsunamis and earthquakes.

Businesses will struggle to operate after the eruption.

Crops, Habitats and Landscapes will be damaged.

It produces poisonous gases that aid global warming.

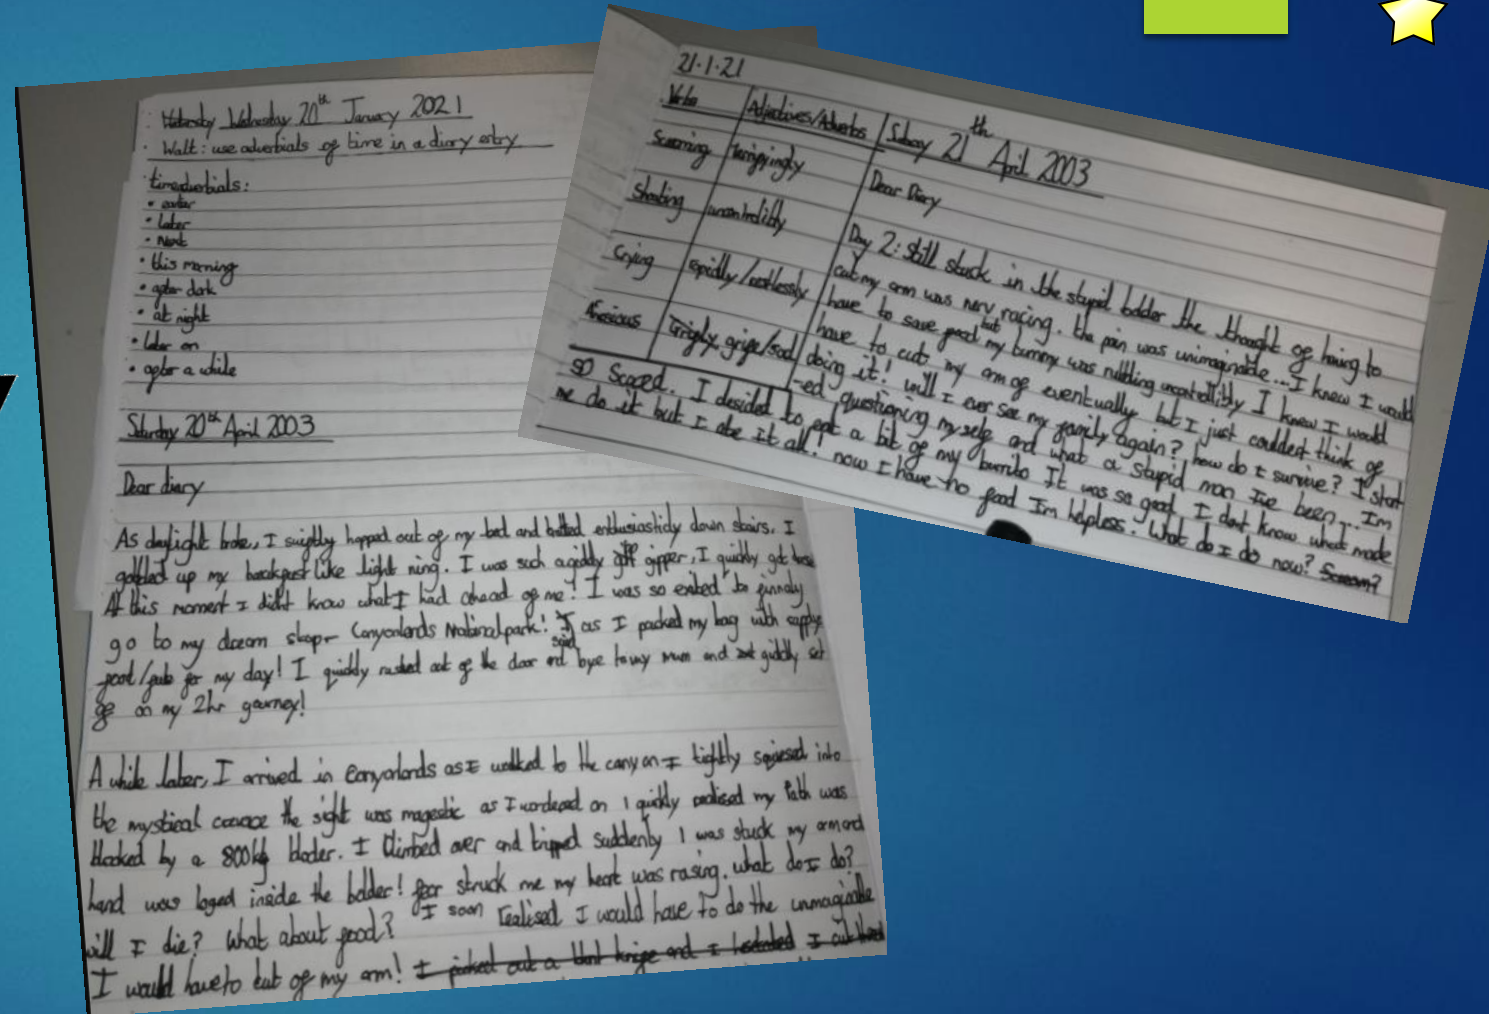

Superb effort, every single day! Across the whole curriculum, all assignments have been submitted and to such a high quality.

Star Learner in the Y6 School Bubble is....

Poppy
Creativity

Fantastic piece of work, beautiful handwriting and completed the task doing everything she was asked – Mrs Blake

Library Bus

READING CHALLENGE

Visit the Leger Library Bus
this Wednesday, collect a book and
collect **your bookmark challenge stamp!**

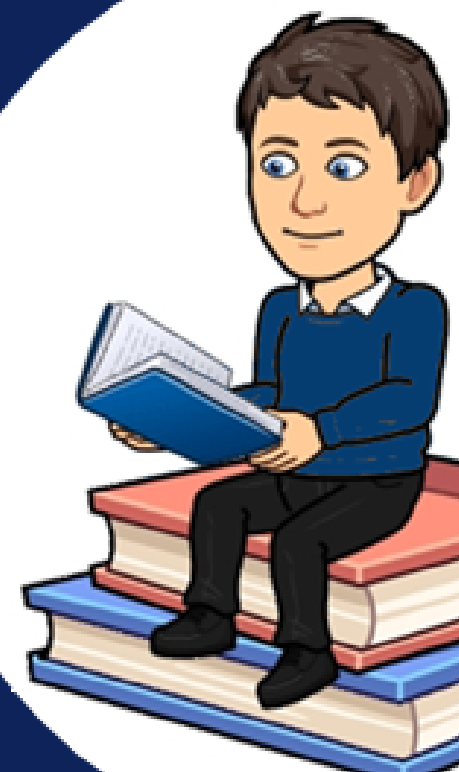

LEGER LIBRARY BUS

EVERY WEDNESDAY!

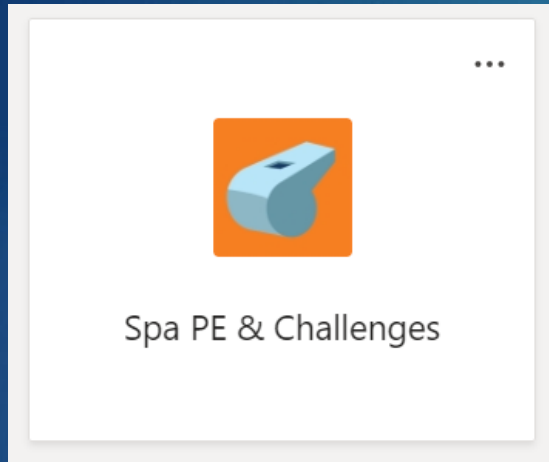

Spa Academy Askern, as part of the Leger Education Trust, invite pupils and parents to collect a school reading / story book from our Leger Library Bus that will travel around Askern.

Route, times and safety information will be text to families. Come and collect your reading/story book for the coming week when we stop nearest to your house!

Spa PE and ASPIRE Challenges

Mr Gelsthorpe will be adding links to his live PE sessions and his weekly ASPIRE challenges!

Send us your pictures or post on twitter
@SpaAcadAskern

Our special 'attendance' awards!

- ▶ Year 3 - Layla Malloy-Kidd
- ▶ Year 4 - Seth Chappel
- ▶ Year 5 - Jack Ford
- ▶ Year 6 - Whitney Wainright
