

Year 6 SATs Breakfast Revision

Dear Parent/Carer,

As you already know, all Year 6 pupils will be attending an after-school booster session on Mondays, focused on preparing them for their SATs.

To support your individual child further, we would like to invite them to a morning breakfast revision session. Some Year 6 pupils have taken part in this during Autumn term and massively benefited from this extra, daily teaching and have made significant progress as a result, equipping them for secondary school.

If you would like your child to attend, we would be able to provide them access to breakfast club, free of charge, with toast/cereal whilst they attend their revision session. This would run from 8am – 8.30am every day, before pupils go to class. Entry is via the Main Office, just before 8am.

If you are happy for your child to attend this daily breakfast club revision session, please reply to the text, confirming that you are happy for your child to attend.
