1. INTRODUCTION

At Leger Education Trust we are committed to ensuring that the highest standards are maintained in all Academies within the Trust, both in the provision of education to students and in every other aspect of the running of each Academy. A complaints policy is an important part of the management of a well-run school, allowing parents and others the opportunity to voice any concerns they may have through appropriate channels. This policy has been adopted by the Leger Education Trust Full Board (Trust) and the Academy Governing Bodies (AGB) to ensure a timely, systematic and fair approach to the resolution of concerns and complaints.

2. HOW TO RAISE A CONCERN

Concerns should be raised with the class/form teacher or a member of the Leadership Team by contacting the school by email or telephoning the school office to make an appointment. If the issue remains unresolved, the next step is to make a formal complaint.

We recognise the need to be clear about the difference between a concern and a complaint. By taking informal concerns seriously at the earliest stage we aim to resolve your concern and reduce the numbers that develop into formal complaints by working effectively with parents. We aim to ensure that concerns are handled, if at all possible, without the need for formal procedures. Our formal complaints policy is only necessary if efforts to resolve the concern informally are unsuccessful and the person raising the concern remains dissatisfied and wishes to take the matter further.

3. HOW TO MAKE A COMPLAINT

The Complaints Policy will be available on the Academy website and this will guide the complainant through the process.

Any concern which remains unresolved can be escalated to a formal complaint at Stage 1. Complainants should complete Appendix 1 'Stage 1 Complaint form'. If this form is not completed in full, the complaint will not be considered further. If you require support to complete this form, please contact the school office or agencies such as Citizens Advice Bureau¹. You will need to indicate your preferred method of communication on the 'Stage 1 Complaint form' which can be found at Appendix 1.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of the AGB, if appropriate, will determine whether the complaint warrants an investigation.

You must raise the concern or complaint within one month of the incident. We will consider complaints made outside of this time frame only if exceptional circumstances apply. This will be determined by the Academy/Trust only.

4. SCOPE

This policy covers all concerns and complaints about any provision of services or community facilities by Leger Education Trust, other than complaints that are dealt with under other statutory procedures:

- Any complaint relating to child protection, which will immediately be raised with the Local Authority.
- Admissions – addressed under the admissions and admissions appeals procedures.
- Assessment for Special Educational Need and Disability (SEND)
- Exclusion of children from school – addressed under the Exclusion Policy
- Complaints by staff- addressed under the Leger Education Trust Grievance Policy.

¹ <https://www.citizensadvice.org.uk/>

- Whistle-blowing (matters of impropriety e.g. a breach of law, school procedures or ethics) – addressed under the whistle-blowing procedure.
- Complaints relating to incidents that occur outside the school environment.

5. RESOLVING COMPLAINTS

Leger Education Trust will work in partnership with parents and endeavour to resolve the complaint. If it is appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

6. STAGE 1

Formal complaints must be made to the Headteacher/Principal (unless they are about the Headteacher/Principal in which case the formal complaint should be made to the Chair of the AGB). This is to be submitted in writing using the 'Stage 1 Complaint form' which can be found at Appendix 1.

The Headteacher/Principal will acknowledge receipt of the complaint via your preferred method of communication within 10 school days, and investigate the complaint.

At that point, a meeting may be called to discuss the complaint and a resolution.

At the conclusion of the investigation, the Headteacher/Principal (or Chair of the AGB) will provide a formal written response within 15 working days. If this deadline cannot be met, they will provide the complainant with an update and revised response date.

If the complaint is jointly about the Chair and Vice Chair or the AGB, Stage 1 will be considered by a Complaints Panel from the Trust Board. At the conclusion of their investigation, the Chair of the Trust Complaints Panel will provide a formal written response.

7. STAGE 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting will be held with the Complaints Panel. The panel will consist of at least 3 members, who have had no prior connection with the complaint and at least one of these will be an independent panel member. The independent panel member will not be a member, trustee or employee of the school. A governor, from a local governing body at a different school within the Trust, who has no conflict of interest or prior knowledge of the complaint, can be an independent panel member. This is because such person would have no direct involvement with the management and running of the school being complained about. This is the final stage of the complaints policy. This meeting can be virtual or in person.

A request to escalate to Stage 2 must be made in writing using the Complaints Form Appendix 2 to the Chair of the AGB, within 10 school days of receipt of the Stage 1 response. Requests received outside of this time frame will not be considered.

The Chair of the Complaints Panel will aim to convene a meeting on a mutually agreed date within 20 working days of receipt of the Stage 2 request. If the complainant does not attend the meeting, the complaint will

not proceed and the complainant will lose the right to the complaint being heard and the matter will be closed.

The complainant nor the school should bring legal representation. These committees are not a form of legal proceedings. The aim of the governors committee should be:

- reconciliation
- resolution
- to put right things that may have gone wrong

We recognise there are limited occasions where legal representation may be appropriate. For example, if a school employee is a witness in a complaint, they may be entitled to bring union or legal representation.

If a complainant commences legal action against the school in relation to their complaint, the Academy will close the complaints procedure, as this is being dealt with through legal proceedings.

Where there are communication difficulties, the Complaints Panel may use recording devices to ensure the complainant is able to access and review the discussions at a later point. All parties should agree in advance to being recorded, if this agreement is not reached then no recordings should commence.

Schools are data controllers in their own right and the Complaints Panel will not allow complainants to record meetings, unless it is required for the purposes of a reasonable adjustment. This is because there may be various levels of identifiable personal information recorded. Any recordings taken without consent from all parties will not form part of the complaint and will be disregarded.

The Complaints Panel will consider:

- how any decision to allow recordings may affect any third parties called to act as witnesses
- the impact and consequences on the individuals involved in the complaint in the event recordings are lost or leaked

The Complaints Panel will decide whether to deal with the complaint at Stage 2 by inviting parties to a meeting or through written representations.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. For the avoidance of doubt, the complainant's support person will be there to provide moral support and will not play any part in the proceedings and will not speak on behalf of the complainant.

The Complaints Panel may decide to invite an independent person to chair the meeting, and/or invite an independent expert to advise the panel. The Complaints Panel will appoint a Clerk for the meeting.

The Complaints Panel will not review any new complaints at this stage or consider evidence unrelated to the initial complaint. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will include:

- a summary from the complainant as to the reasons for progressing the complaint to Stage 2
- an opportunity for the Panel to ask the complainant any questions that may help them with their investigation
- the complainant and any other parties will meet with the panel separately.

The Complaints Panel will consider the complaint and all the evidence presented. The panel will make findings and recommendations and a copy of those findings and recommendations will be provided to the complainant

and, where relevant, the person complained about; and be available for inspection on the school premises by the proprietor and the headteacher.

The Complaints Panel can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the Complaints Panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The purpose of Stage 2 is to:

- review how the complaint has been investigated, to review any aspects of the complaint that the complainant feels have not been addressed satisfactorily
- clarify what actions the complainant feels might resolve the problem at this stage and to determine whether the complaints process has been conducted in accordance with the policy.

The Chair of the Complaints Panel will provide the complainant and the Academy with a full explanation of their decision and the reason(s) for it, in writing, within ten school days.

If the complaint is jointly about the Chair and Vice Chair or the majority of the AGB, Stage 2 will be heard by a Trust Board Complaints Panel.

At this point the Academy will deem the matter closed.

The Academy or Trust will, as a result of a complaint (regardless of whether it is upheld) will:

- record the progress of the complaint and the final outcome
- record whether the case progressed to a panel hearing
- record the action taken by the school or the trust, regardless of outcome
- determine who is responsible for these records and make sure the data is kept secure

The Academy/Trust will ensure that all correspondence, statements and records relating to individual complaints are kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

8. APPEAL

If a complainant feels dissatisfied with the outcome of Stage 2 then an appeal may be made to the Chair of Directors of the Trust to request a review of the complaint process through stages 1 and 2. This must be done within 10 school days of receiving the letter confirming the outcome following Stage 2. Appendix 3 should be completed by the complainant.

The panel will consist of at least 3 members, who have had no prior connection with the complaint and at least one of these will be an independent panel member. The independent panel member will not be a member, trustee or employee of the school. A governor, from a local governing body at a different school within the Trust, who has no conflict of interest or prior knowledge of the complaint, can be an independent panel member. This is because such person would have no direct involvement with the management and running of the school being complained about.

The complainant should not repeat the matters raised in their original complaint or attach documentation already provided, but should clearly set out how and why the complainant does not accept the findings made under Stage 1 and 2.

The Appeals Panel will not investigate the complaint but will carry out a process review to ensure that a fair and thorough investigation of the complaint has taken place. The Appeals Panel will not overturn the decision but may ask the complaint committee to reconsider where policy may not have been followed correctly.

9. NEXT STEPS

If the complainant believes the Academy, AGB or the Trust has acted illegally or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Leger Education Trust. They will consider whether Leger Education Trust has adhered to education legislation and any statutory policies connected with the complaint.

Further information can be found on the DfE website

10. CLOSURE OF COMPLAINTS

Very occasionally, the Academy/Trust will feel that it needs, regretfully, to close a complaint where the complainant is still dissatisfied. In exceptional circumstances, closure may occur before a complaint has reached Stage 2 of the procedures described in this document. This is because a complaints panel takes considerable time and effort to set up and we must be sure that it is likely to assist the process of investigating the complaint. The Chair of the Committee may decide that every reasonable action has been undertaken to resolve the complaint and that a complaints review panel would not provide further resolution.

There are occasions when complainants behave in an unreasonable manner when raising and/or pursuing concerns. In these exceptional circumstances the school may take action in accordance with Leger Education Trust's 'Complaints (Vexatious) Policy' for dealing with persistent or vexatious complaints in schools. Please see additional policy.
