1. INTRODUCTION AND PURPOSE

1.1 The Academy ethos is based on principles, values and standards established by Leger Trust and the Governing Body in co-operation with staff, pupils and parents.

1.2 Our Academy believes that pupils should be encouraged to adapt behaviour that supports learning and promotes good relationships. We believe poor behaviour and low-level disruption threatens the rights of pupils to an effective education and can lead to people feeling unsafe, bullied, intimidated or threatened. All pupils have a right to work in a calm, supportive and purposeful atmosphere.

1.3 We recognise that even when encouraged to make the right choice, some pupils will occasionally make choices that threaten their own learning or that of others. Therefore, it is necessary to have a set of practical measures and behaviour strategies to secure a positive learning environment for all.

1.4 Our policy is underpinned by our core values and encourages the development of pupils both personally and academically.

2. AIMS

At Spa Academy Askern, we consider every person to be of value irrespective of age, disability, gender, sexual orientation, nationality, race, religion, status or socio-economic background. We aim to create positive, law-abiding citizens of the future. We create a positive learning environment so that all children can achieve their potential.

Through this policy we aim:

- To promote and encourage positive behaviour at all times
- To keep the school community safe and secure
- To keep the school free from any kind of intimidation or bullying
- To address concerns about behaviour and deal with these to the best of our ability
- To foster mutual respect and understanding
- To develop good social skills
- To promote emotional well being
- To develop increased self esteem
- To give consistency and structure
- To create a positive environment for learning
- To enable effective teaching and learning and raise standards

3. PRAISE AND REWARDS

3.1 The Academy believes that pupil achievement and motivation are inextricably linked; that pupils' positive self-image and feelings of success influence motivation; and that positive self-esteem is actively nurtured through praise and reward. The Academy therefore operates a wide-ranging policy of rewards and praise designed to acknowledge and value the full spectrum of pupils' efforts and achievements and thus to recognise many forms of success.

3.2 Our aim is to devise a range of rewards for genuine achievement for pupils of different ages, and to promote and maintain a positive culture in which everyone feels valued for their contributions.

3.3 It is essential that staff refer to values frequently and reinforce them through praise and rewards. We aim to develop a positive praise attitude. Praising pupils will raise their self-esteem, help them to learn to accept praise with good grace, enable them to appreciate their strengths, and recognise the success of others and help them to become positive members of society.

3.4 Range of Rewards:

- The use of verbal praise and encouragement in lessons and around the Academy as much as possible.
- Supportive and constructive feedback

- Positive texts and phone call homes.
- Academy Spa Stars and House Points.
- Weekly Star Learners
- Recognition via assemblies – including Homework Heroes & Attendance Champions.
- Certificates.
- Formal occasions – Reward assemblies, Performer of the Year awards, Presentation Evening.
- End of Year Rewards Trips, linked to House Points.

3.5 Reasons for Rewards may include, although not limited to:

- Full and sustained engagement with learning in the classroom, demonstrating being ready, respectful and safe;
- Demonstrating the school values of:
 - Pride
 - Ambition
 - Integrity
 - Responsibility
- Having a positive attitude to learning;
- Excellent answers and work;
- Representing the School - taking part in sports, enterprise, visits, trips, extra-curricular clubs, by being an ambassador for the Academy;
- High Attendance/Most Improved Attendance;
- Demonstrating a strength of character;
- Community and charity involvement.

4. PROMOTING POSITIVE VALUES AND BEHAVIOUR

4.1 Our principles, further detailed in Appendix 5, that underpin the promotion of positive values and behaviour include:

- Praising in public
- Reprimanding in private
- Low-level disruption addressed through scripted responses
- Restorative conversations
- Being 'predictable'

5. POOR BEHAVIOUR – USE OF DISCIPLINARY SANCTIONS

5.1 Teachers have a statutory authority to discipline pupils whose behaviour is unacceptable, who break the Academy rules or who fail to follow a reasonable instruction. This power also applies to paid staff such as teaching assistants and lunchtime supervisors.

5.2 In all cases any use of sanctions must always be reasonable and proportionate and must follow the guidance in this policy.

5.3 The Academy will consider the range of protected characteristics identified in the Equality Act 2010 plus individual pupil needs such as any special educational needs, parental support/reaction.

5.4 The following range of disciplinary sanctions that may be implemented as appropriate:

- Behaviour logs
- Change of location
- Verbal warning/reprimand
- Phone call home
- Attitudes to Learning card
- Restorative conversations during play/lunchtime
- Internal suspension
- Pastoral Support Plan
- Fixed term suspension
- Alternative Provision

6. PUPILS WITH BEHAVIOURAL ISSUES – RISK ASSESSMENT AND DECISION MAKING

- 6.1 For some pupils with particular behaviour needs, the Academy will need to undertake thorough risk assessments to determine how best to support these pupils. This is evident in a pupil's Pastoral Support Plan (PSP) – which includes pupil voice, provision and/or strategies as well as review. This may for example include pupils who will struggle to follow instructions or display significantly disruptive tendencies.
- 6.2 A Pastoral Support Plan is put in place for:
- Repeated breaches of stages 1-4;
 - A pupil returning from a suspension; this Pastoral Support Plan formalises the reintegration discussions and plan.
- 6.3 A Pastoral Support Plan includes an assessment of need, to identify any underlying SEN need. For pupils with identified SEN needs already, the PSP is superseded by their SEN plan.

7. BULLYING BEHAVIOUR

- 7.1 Bullying behaviour is always unacceptable and will not be tolerated because:
- It is harmful to the person who is bullied, and to those who engage in bullying behaviour, and those who support them, and can in some cases lead to lasting psychological damage and even suicide;
 - It interferes with a pupil's right to enjoy his/her learning and leisure time free from intimidation;
 - It is contrary to all our aims and values, our internal culture, and the reputation of our Academy.
- 7.2 Bullying is defined by the DfE's Preventing & Tackling Bullying guidance:
Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences.
- 7.3 The implications for any incident of physical bullying are significant in any circumstance.
- 7.4 Our Academy will deal with such bullying behaviour robustly and take immediate and necessary action to sanction pupils.
- 7.5 Types of physical bullying:
- Physical: including, hitting, kicking, pushing people around, spitting; or taking, damaging or hiding possessions, barging, hurting, stamping.
- 7.6 The Academy will also not tolerate other types of bullying which may include:
- Verbal: including name-calling, taunting, teasing, insulting, mockery, mimicry, inappropriate banter or lyrics to raps, shaming e.g. fat shaming;
 - Exclusionary behaviour: intimidating, harassing, isolating, or excluding a person from a group;
 - Extortion: threatening to, or taking money, equipment, resources, blackmailing;
 - General unkindness: spreading rumours or writing unkind notes, phone texts or emails;
 - Cyberbullying: using the internet, games, mobile telephones, social networking sites etc. which upsets someone else;
 - Non-verbal sucking teeth, staring at someone, pulling faces, gestures;
 - Sexist: making comments or referring in a derogatory way to a person's gender or gender reassignment;
 - Racist: regarding someone's culture, heritage, country of birth or nationality;

- Homophobic: related to a person's perceived or actual sexual orientation;
- Disability: related to a person's disability or special educational need, medical needs;
- Pregnancy: related to pregnancy, paternity, or maternity;
- Marriage/civil partnership: related to someone's marital or partnership status;
- Faith: related to someone's faith (belief or no faith), social standing (related to a person's home circumstances), poverty;
- Intelligence: related to someone who does as they are told, high achieving, and completing their work;
- Sexual: talking to or touching someone in a sexually inappropriate way, upskirting, asking for photographs or intimate parts or engaging in phone or written sexual conversations.

7.7 Intention - Some individuals may see their hurtful conduct as "teasing, banter" or "a game" or "for the good of" the other person. These forms of bullying are equally unacceptable but may not be malicious and can often be corrected quickly with advice and without disciplinary sanctions. A bully who does not respond appropriately to advice or sanctions will be fully supported to remedy their behaviour and understand why this is totally unacceptable.

7.8 If such bullying conduct persists leaders:

- will call and talk to the parents/carers concerned
- may decide to hold a meeting with parents, if it is reasonable to do so, to determine how the pupil must remedy their behaviour.

We will ensure that staff report and monitor any instances where an act of bullying has taken place.

7.9 Legal aspects - A person who makes a physical or sexual assault on another, including "upskirting", or who steals or causes damage to the property of another, commits a criminal offence and also a civil wrong known as a "tort", can all lead to legal consequences outside the Academy.

7.10 Bullying behaviour may also be regarded as threatening behaviour or harassment which can be either a criminal offence or a civil wrong.

7.11 Misuse of electronic communications could also be a criminal offence; for example, it is an offence to send an electronic communication (such as a text message or email) to another person with the intent to cause distress or anxiety.

8. INITIAL COMPLAINT ABOUT A BULLYING INCIDENT

8.1 Firstly, respond quickly and sensitively by offering advice, support, and reassurance to the alleged victim, then report the allegation to the appropriate member of staff - this may be DSL and/or Senior Leader.

8.2 A thorough investigation must be carried out and the investigating member of staff must:

- speak with, and take notes from, the alleged bully as soon as possible;
- speak with any witnesses without delay and form an initial view of the allegation, can the alleged bully be seen on a no-names basis.

8.3 The outcomes of an investigation can be:

a) There has been a misunderstanding which can be explained sympathetically to the alleged victim and with clear advice given to the alleged bully in modifying their behaviour as appropriate.

b) Complaint is partially justified:

- Advice and support for the victim and, where appropriate, establishing a course of action to help the victim including support from external services where appropriate;
- Advice and support to the bully in trying to change their behaviour; this may include clear instructions and a warning or final warning;
- Consideration of the motivation behind the bullying behaviour and whether external services should be used to tackle any underlying issues of the bully which contributed to

the bullying behaviour. If these considerations lead to any concerns that the bully may be at risk of harm, the Academy's safeguarding and child protection procedures must be followed.

c) Complaint is justified. Our approach:

- Where possible, the Academy may decide to hold a supervised meeting between the bully and the victim (only with the agreement of the victim) to discuss their differences and the ways in which they may be able to avoid future conflict;
- A disciplinary sanction against the bully, in accordance with the Academy's behaviour and discipline conduct will be issued.

8.4 Importantly, any behaviour or bullying incident must be followed by showing the pupils how to behave to prevent any further incidents.

9. RECORD KEEPING AND MONITORING

9.1 Every complaint or report of poor behaviour or bullying must be entered and recorded in accordance with the Academy's internal system and process (CPOMs).

When implementing this policy, every pupil should be encouraged to understand that:

- Every complaint of bullying and poor behaviour will be taken seriously;
- A pupil who complains will receive support and advice and in many cases the problem can be dealt with on a no names basis;
- The primary aim will be for the bullying/poor behaviour to cease, not the punishment of the bully unless this is necessary.

9.2 The Academy may decide to use a restorative approach to solve the problem between pupils but it is the victim who will select whether this takes place or not.

9.3 The Academy will, for most but not all, serious incidents, inform parents/carers as to what has happened so that they can give their support. Where the Academy staff feel that the pupil may be unsafe or vulnerable because of telling parents (for example of transgender or homophobic bullying) the staff will tackle the incident themselves with the help of specialists. The Academy staff must ensure that the Designated Safeguarding Lead (DSL) is made aware in these circumstances and all information is recorded on CPOMS.

10. SUSPENSIONS & EXCLUSIONS – USE OF SUSPENSIONS AND PERMANENT EXCLUSIONS (PEX)

10.1 Spa endeavours to ensure that all procedures conform with statutory guidance set by the Department for Education (DfE).

10.2 In upholding statutory guidance it is only the Headteacher that may suspend or exclude a pupil. All parties involved in these, must have regard to statutory guidance. Proceedings at Spa are conducted in a lawful, reasonable and procedurally fair manner, with appropriate notice to all, full participation of relevant parties, and within the statutorily designated timelines.

10.3 The normal arrangements and procedures that must follow a decision to exclude on disciplinary grounds are described in the statutory guidance 'Exclusion from maintained schools, academies and pupil referral units in England'.

10.4 The DfE guidance is followed in a pupil's reintegration to school following a suspension. Following a suspension, one of two actions are taken to formalise the reintegration process:

- A Pastoral Support Plan is put in place; or
- A pupil's SEN plan is reviewed.

- 10.5 A permanent exclusion is when a pupil is no longer allowed to attend a school (unless the pupil is reinstated). The decision to exclude a pupil permanently should only be taken:
- in response to a serious breach or persistent breaches of the school's behaviour policy; and
 - where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others such as staff or pupils in the school.
- 10.6 Spa defines persistent as '*continuing firmly or obstinately in behaviours, despite a robust Pastoral Support Programme and/or SEN plan*'.

11. USE OF REASONABLE FORCE

- 11.1 Force may be used for the purpose of preventing a pupil from doing (or continuing to do) any of the following:
- Committing a criminal or civil offence;
 - Causing personal injury to, or damage to the property of, any person, Prejudicing the maintenance of good order and discipline at the Academy.
- 11.2 In such occurrences the member of staff should:
- Manage the situation using appropriate techniques
 - Escort the pupil/s to a designated area where they cannot come into contact with others
 - Administer first aid if necessary
 - Ensure that the Headteacher is made aware of the incident so that the incident process can be followed to not only record the nature of the incident but also staff will need to record any aspect of physical contact and close proximity that occurred.
- 11.3 Where physical restraint and positive handling techniques are used by staff, this must be recorded in writing and the pupil's parents will be informed about incidents involving the use of force. Force is never used as a form of punishment. Identified members of SLT and Pastoral Team have received up to date Team teach training.
- 11.4 Team Teach is a structured, non-violent staff development programme. The approach is holistic and promotes positive and protective handling strategies. A huge emphasis is placed on preventing and de-escalating situations and behaviours before physical intervention becomes necessary. However, Team Teach does recognise that there will be times when staff are left with no other option than to hold a pupil, and it teaches safe, effective ways to do this.
- 11.5 The Academy will always enter incidents of physical restraint and positive handling techniques on CPOMs and inform parents of action taken to manage a pupil through authorised techniques.

12. GUIDANCE FOR SEARCHING, SCREENING AND CONFISCATION

- 12.1 The Leadership Team and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item.
- 12.2 Staff can search any pupil for any item if the pupil agrees. The ability to give consent may be influenced by the child's age or other factors. The Academy must follow each step in the statutory guidance (Searching, screening and confiscation, Advice for headteachers, school staff and governing bodies, DfE January 2018).
- 12.3 Prohibited items are:
- Weapons or knives
 - An illegal substance or legal substance for which pupils are trading e.g. alcohol, cigarettes, prescription drugs.
 - Stolen items
 - Fireworks

- Pornographic images
- Tobacco and cigarette papers
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - to commit an offence
 - to cause personal injury to, or damage to the property of, any person
- The Leadership Team and authorised staff can search for any item banned by the Academy rules and Code of Conduct.

12.4 Informed consent - The Academy staff may search a pupil with their consent for any item. Appropriate consideration will be given to factors that may influence the pupil's ability to give consent. If the pupil refuses, sanctions will be applied in accordance with this policy and in full adherence with statutory guidance.

12.5 Searches without consent - In relation to prohibited items, the Headteacher, and staff authorised by the Headteacher, may search a pupil or a pupil's possessions, without their consent, where they have reasonable grounds for suspecting that a pupil has a prohibited item in their possession. Searches without consent will only be carried out on the Academy premises or where the member of staff has lawful control or charge over the pupil, for example, on Academy trips.

12.6 Searches generally - If staff believe a pupil is in possession of a prohibited item, it may be appropriate for an authorised, trained member of staff to carry out:

- A search of outer clothing; and / or
- A search of Academy property, e.g. pupils' lockers or desks; and / or
- A search of personal property (e.g. bag or pencil).

12.7 Searches will be conducted in such a manner as to minimise embarrassment or distress. Any search of a pupil or their possessions will be carried out in the presence of the pupil and another member of staff.

12.8 Where a pupil is searched, the searcher and the second member of staff present will be the same gender as the pupil, or in the case of a transgender pupil, they may select the gender of the searcher. However, by exception, where a member of staff reasonably believes that there is a risk that serious harm will be caused to a person if the search is not conducted immediately and it is not reasonably practicable to summon another member of staff, a search may be conducted by a member of the opposite sex without a witness present.

12.9 When an electronic device, such as a mobile phone, has been seized by a member of staff, the staff member can examine data or files and delete these where there is good reason to do so. There is no need to have parental consent to search through a young person's mobile phone. In establishing good reason to do so the Headteacher and authorised staff must refer to the categories stated in the DfE 2018 statutory guidance for Searching, Screening and Confiscation.

12.10 If an electronic device that is prohibited by the Academy Code of Conduct has been seized, and the member of staff has reasonable grounds to suspect that it contains evidence in relation to an offence, they must give the device to the police as soon as possible.

12.11 Material that is suspected to be relevant to an offence should not be deleted before giving the device to the police. If the staff member does not find any material that they suspect is evidence in relation to an offence and decides not to give the device to the police, they can decide whether it is appropriate to delete any files or data from the device, or whether to retain the device as evidence of a breach of Academy discipline.

APPENDIX 4 – EXAMPLE DISPLAYS AND REPORT CARD

EXAMPLES OF ATTITUDES TO LEARNING CARDS:

Pupils will be awarded 'Attitude to Learning' grades, from 1-4, for each learning session, whilst on their Aspire Card. Below are the categories and descriptions in which pupils will be scored upon.

The expectation is that pupils aim to earn as many 1's as possible in a day (a score of 1 for every session). If the score is higher than the goal set by them and their teacher, the child will remain on the Aspire card to be monitored for a further week.
