

Summer Celebrations!

Firstly, a huge congratulations to our amazing Year 6 students who absolutely smashed their SATs last week. They demonstrated just how determined and confident they are when faced with some very challenging test questions! None of their success would have been possible without the support of such a fantastic group of staff from across school, as well as your support from home – thank you from us all.

We are also in full support of our Year 4 pupils, who will be taking their Multiplication Tables Check during the first two weeks of Summer 2. Best of luck Year 4, the academy is behind you all the way!

Next half term will be a busy one, as we begin our transition activities. Year 6 pupils will begin preparing for life after Spa and we will be welcoming the current Year 2 infant pupils into our school. See below for key transition dates.

The meetings will be carried out alongside the new class teacher, where possible.

Please also be reminded that nail polish should not be worn and pupils will be asked to remove this.

Academy Governing Body: If you are interested in supporting the school, by being a governor at Spa Academy, our Chair of Governors, John Dougherty, can be contacted via the main school office.

ASPIRE

At Spa Academy we develop pupils' interest in events and activities that stretch beyond academic learning as part of our ASPIRE curriculum. Pupils in Year 6 took part in Bikeability sessions in order to develop their cycling proficiency and confidence!

Next term clubs include:

Tuesday Circuits/fitness, Rugby

Wednesday Spanish, Football

Thursday Year 3/4 Cricket, In it 2 win it, Film

Friday Year 5/6 Cricket, Go for Green

TEACHING AND LEARNING

Next half term, we will continue our learning around the British Values. In assemblies, we cover one of the values each week. Ask your child at home about Democracy and Rule of Law.

Catering Update:

You should have received the following text message regarding some important changes to our system for ordering your child's dinner:

To further support our lovely kitchen staff, pupils are required to order their school meals two weeks in advance. To kick start this change all pupils will have the opportunity to order their school meals in class each Friday. Those who have already ordered at home via School Grid will not need to repeat this.

Please let us know if you need any support with this by contacting the school office. Thank you.
