Dear parents/carers,

Bake Sale for Spa Academy!

Charity begins at home, or so they say... This year, in place of Children in Need™ our Academy Ambassadors will be hosting a week of bake sales in support of our continued efforts to raise money to improve our outdoor learning space.

We are welcoming baked goods (homemade or shop bought) from students and staff to sell during break times. Each year group has been allocated a separate day so everyone gets chance to buy a treat:

Year 3 Monday 10th November

Year 4 Tuesday 11th November

Year 5 Wednesday 12th November

Year 6 Thursday 13th November

Any bakes not sold will be available on Friday 14th for ALL PUPILS to purchase throughout break time and any remaining will be sold afterschool on the Year 3 and 4 yard.

Our Academy Ambassadors will support in the organisation of the bake stalls throughout the morning break-time sessions.

We encourage as many families as possible to get involved and support the event. Baked treats will be priced at 50p so please ensure that, if your child wishes to take part, they have some small change on the day that their class has been assigned.

All proceeds will support in improving our outdoor learning space, which will enhance the learning experiences for all pupils at Spa Academy.

Thank you for your support,

Yours sincerely,

Mrs. L Goodinson

Deputy Headteacher
